### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with William J. Clemens on 11/2/2005.

The application has been amended as follows:

- Claims 18-21 have been cancelled.

3. The following is an examiner's statement of reasons for allowance: The prior art of record (considered as a whole) neither anticipates nor renders obvious a lift apparatus comprising a ground engaging base having a generally horizontally extending central beam with opposite ends, a pair of generally vertically extending intermediate beams each having a lower end attached to an associated one of said central beam ends and having an upper end, a pair of generally horizontally extending end beams each having an inner end attached to an associated one of said intermediate beam upper ends and having an outer end and a pair of spaced apart upwardly and rearwardly extending posts each having a lower end connected to said central beam and an upper end in combination with the rest of the claimed limitations set forth in the independent claim.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Drawings***

5. The examiner accepts the amendments to the figure 7 that was proposed in the response submitted on 10/27/2005. Applicant must supply proper amended drawings with response to this notice of allowance.
